RE: Annual Certification of Compliance with Commercial Limits Requirements
of the Children's Television Act of 1990

January 1, 2025 — December 31, 2025

This is to certify that during the above-referenced year, the NBCUniversal programming services currently known as BRAVO, CNBC, CNBC WORLD, E!, GOLF, MS NOW, NBCSN, OXYGEN CHANNEL, SYFY UNIVERSO, and USA NETWORK (the "Networks"), as a standard practice, did not air any programming originally produced and broadcast primarily for an audience of children 12 years old and younger. Accordingly, the commercial time limitations of the Children's Television Act of 1990 and FCC rules promulgated thereto do not apply to any programming aired by the Networks this year.

I hereby certify that the foregoing is true and correct. Executed on this 14th day of January (month).
